Present at Meeting:

Professor Yan Ke
Pan Jiayao
Chen Jialing
Ye Fuying
Liu Yibin

Absent:

Aspects performing well

1. Every team member tries his best to complete the tasks which were allocated to him and determines the following tasks next month.
2. Every team member is very clear about the requirements and objectives of our project.
3. We implement the improvements and the beautification of the UI design.

4. We communicate with each others actively. We remain the harmony of our team.
We get well with each others.
5. Every team member has a deep understanding of CNN algorithm.
6. Every task is implemented successfully.

Aspects requiring improvement

1. The CNN model can not used in the Android project.
2. We lack functional navigation bar
