Let's find some information about food!

Click to get app, website and restaurant recommendations

website

restaurant

Offline activities will be held regularly, and lick to get you can join to make friends when you the next have time. recommendati

on

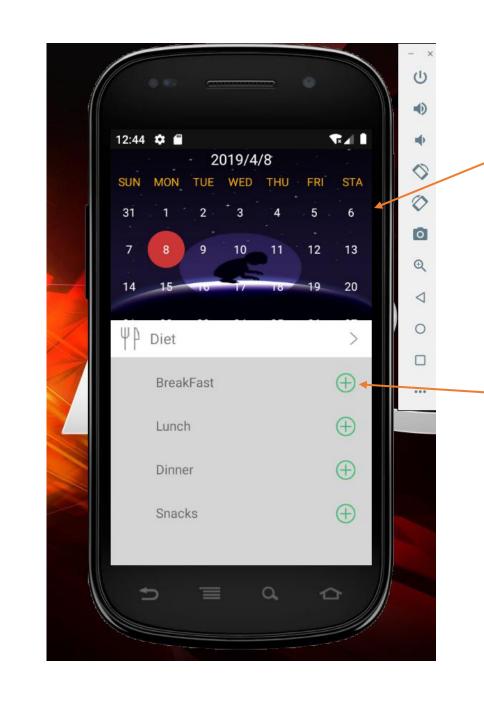

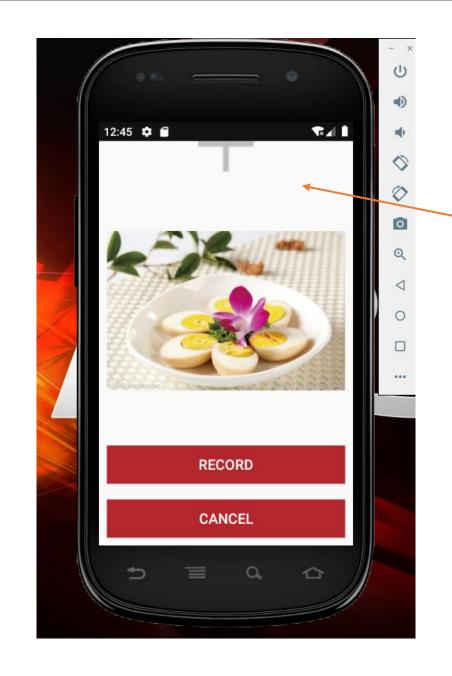

Calendar:
Select a date
to see the
record.

Click
button to
jump and
record
diets.

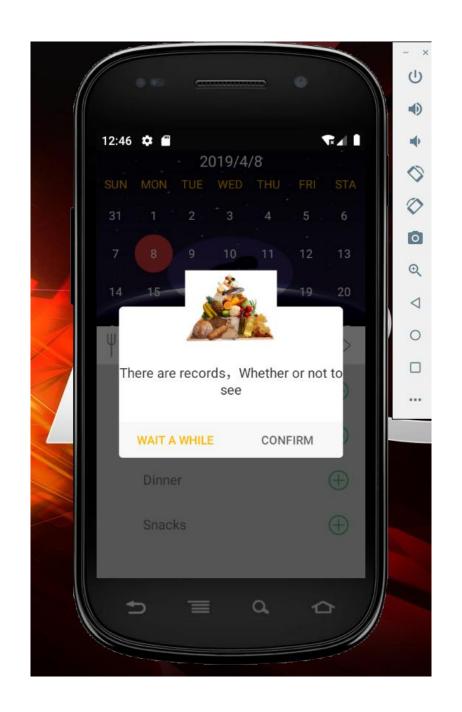

Add your meals
here with
descriptions and
picture. For
example, eating
eggs for breakfast.

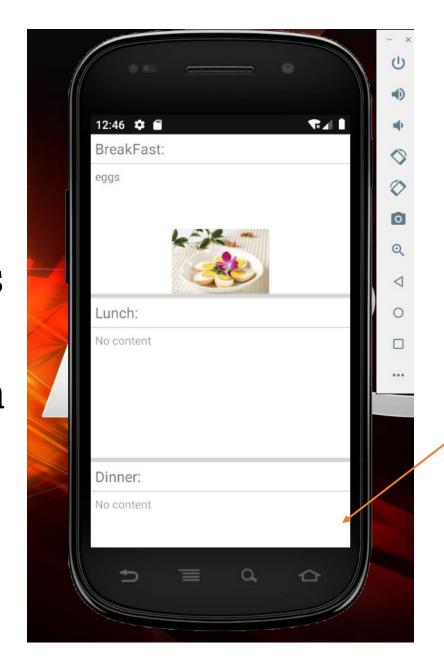

Edit description and picture for a meal.

Select a date.

If have
records, there
will be a
prompt dialog.

Then check daily meals together. As we seen, the breakfast has been recorded.

Delete this record by the delete button at the bottom.
