Ye fuying		
Liu yibin	**End time:**	
	30th March 2019 16:30	
Professor:		
Yan Ke		

Present at Meeting:

Professor Yan Ke

Pan Jiayao

Chen Jialing

Ye Fuying

Liu Yibin

Absent:

Aspects performing well

1. We complete project report writing including abstract, model introduction, software introduction, recommendations, reference list and seeking customer advice.

2. We complete final presentation preparing including model explanation, software demonstration and final optimization .

3. We complete monitoring and controlling.

Aspects requiring improvement

1. The accuracy of image recognition is not high enough.

2. The amount of images collected is not enough.
